All competitors are bound by the prevailing statutes and regulations of the state. Bass may not be stringered at any time during the tournament or weigh-in. No Dead fish may be weighed for the lunker fish.
15. **PENALTY POINTS:** For each dead fish brought to the scales there will be a .50 (8 oz.) penalty taken from the total weight of the competitors catch. **THE CULLING OF DEAD FISH IS PROHIBITED IN ALL CBFN EVENTS. This will include any weight to be counted toward a "lunker award". Any competitor more than fifteen minutes late shall lose all credit for that day's catch. There shall be no excuse for tardiness, and in no case, shall a competitor be allowed to make up "lost time". After proper recognition at the checkpoint, competitors will be allowed ample time to proceed to the weigh-in site; however, all fishing must cease upon check-in. The standings will be based on the following points system; in each regular trail event the individual competitor who finishes in first place will receive 300 points. For each place below first, the points will drop in 2 point increments down to the lowest weight. All contestants who do not catch a fish will receive 50 points less than the individual with the lowest recorded weight. There will be no drop tournament. All anglers must enter a blind draw and there will be no club pre-pairings. Open boats will be allowed if not paired. The non-boater is not required to reimburse the boater for gas.
